

Getting Ready for School in the Morning

My name is _____. I go to Mrs./Mr. _____ preschool class.

I am learning to get ready for school in the morning.

I am learning to brush my teeth and get myself dressed.

Sometimes my parents or _____ will help me get ready in the morning and sometimes I can do it by myself.

In the morning, I will try and get up and get dressed when my parent or _____ asks me to.

When I get dressed and brush my teeth in the morning, then we can go to school.
