

How to Talk to My Friends

My name is _____. I go to _____ Elementary School.

I like the kids in my class. I have friends there too!

Sometimes I want to show something to my friend. Sometimes I want to say something to my friend.

When I want to get my friend I have to **LOOK at their face and SAY their name.**

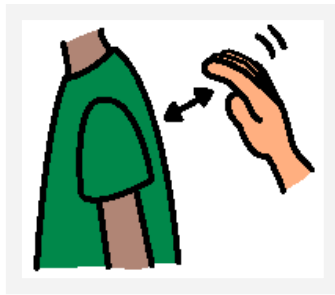

Sometimes I touch their hair. That is not a good way to talk to a friend.

Don't touch
my hair. I
don't like
that!

I can tap them on the shoulder but don't touch their hair.

So I will try to remember to
Tap my friend on the shoulder
Say their name
Keep trying

Remember _____
TAP, SAY MY NAME

But don't touch my
Hair!
