

## Taking Turns at Circle

My name is \_\_\_\_\_ and I am \_\_\_\_ years old. I go to preschool at \_\_\_\_\_.

We do many activities at school like free play, snack and circle. During circle time we do lots of different fun things like listening to books, dancing to songs and \_\_\_\_\_.

At circle time, kids get to help with jobs like \_\_\_\_\_ and \_\_\_\_\_ . I really like to help with different jobs. There are lots of kids in our classroom who also like to help with circle time jobs.

Sometimes I will get to help with jobs like \_\_\_\_\_ and \_\_\_\_\_ and sometimes it will be someone else's turn.

If I really want to help and I don't get chosen, I can say "maybe next time."

If it is someone else's turn and he/she chooses something I don't like I can say "maybe next time." If a kid chooses something I like I can give him/her a quiet thumbs up!

Circle time is fun when we all take turns!
