

QUIET PLEASE!

There are a lot of children in my classroom.

My teacher talks to all the children.

When it is noisy in the classroom, the children can't hear what the teacher is saying.

When I talk out loud, it is noisy!

When I read out loud, it is noisy!

I will try to talk very quietly or whisper.

I will try to read very quietly, too.

My teachers will be glad that all the children can hear what they say.
